### Preservation of the Waite Gatehouse

To the Honourable the Members of the House of Assembly in Parliament Assembled:

We draw the attention of your Honourable House to the South Australian Government's decision to demolish the heritage-listed Waite Gatehouse as part of the upgrade to the Fullarton Road/Cross Road intersection. Built in 1890, the Gatehouse is an important part of the local community and South Australia's history.

This petition is of the undersigned residents of greater South Australia.

**REQUEST:** Your petitioners **oppose the demolition of the Waite Gatehouse** and therefore request that your Honourable House will urge the Government to reverse its decision to demolish the Gatehouse.
